### Max Stirner - Wikipedia

Johann Kaspar Schmidt (25 October 1806 – 26 June 1856), better known as Max Stirner, was a German philosopher who is often seen as one of the forerunners of nihilism, existentialism, psychoanalytic theory, postmodernism, and individualist anarchism. Stirner's main work, *The Ego and Its Own*, also known as *The Unique And Its Property*, or, literally, *The Individual and His Property*, was first published in 1845 in Leipzig and has since appeared in numerous editions and translations.
